

PNPS 2018 Fall Issue Project Corrections

Page 7 ~ Big Tom Pumpkin Seeds – If using transfer paper & then ironing to fabric, lettering will come out correctly. If tracing using a lightbox or window, trace the design on one side and then again on the reverse side of the paper so when you trace onto the fabric, the lettering will appear backwards on the side you are punching and will then be correct on the finished side.

Page 59 ~ Autumn Berries (Symbols added to key)

Stitching/Color Key

Symbol	Weeks Dye Works Threads	DMC	Sullivans	No. Skeins
✕	1266, Caper	935, Avocado Green Dk	45277	1
■	1268, Molasses	3031, Mocha Brown Vy Dk	45323	1
▲	1304, Onyx	310, Black	45053	1
◆	1232, Palomino	610, Drab Brown Dk	45143	1
✕	1246, Sage	371, Mustard	45084	1
☞	1233, Cocoa	839, Beige Brown Dk	45237	1
●	2241, Chrysanthemum	921, Copper	45267	1
♥	1227, Bright Leaf	435, Brown Vy Lt	45096	1

The model was stitched using WDW Threads. DMC & Sullivans suggested color options are provided. These threads will produce a different result from the hand-dyed threads.
